

Beauty from every angle

A minimalist speaker that maximises your music experience: Beosound Balance is an award-winner for a reason. The simplicity of its design, rooted in Scandinavian minimalism, contrasts strongly with its raw, high-performing sound. It plays out your favourite music in every direction, in any room.

Built-in proximity sensors welcome you by lighting up the controls when you're close by, otherwise leaving only the sleek aluminium surface visible.

IMPORTANT FEATURES

-  Minimal design
-  Adaptive sound
-  Natural materials
-  Part of Connected Speakers

BASIC

Product dimensions

D x H: 20 x 38 cm

Weight

7.2 kg

Placement

- Shelves
- Side tables
- Other furniture pieces
